ABOUT US

At Geofinitive Contracting, we are dedicated to creating a lasting impact through our unwavering commitment to excellence and integrity. Our core values drive our daily operations, shaping our interactions with customers, employees, and the communities we serve.

Quality and Craftsmanship: We take pride in the quality and craftsmanship of our products/services. We continually strive for perfection in every aspect of our work.

Innovation and Adaptability: We embrace innovation and adapt to changing landscapes, always seeking new and improved ways to meet the needs of our customers.

Customer-Centric Focus: Our customers are at the heart of everything we do. We listen to their needs, provide tailored solutions, and aim to exceed their expectations.

Environmental Responsibility: We are committed to sustainable and environmentally responsible practices. We understand the importance of protecting our planet for future generations.

Empowering Our Team: Our team is our greatest asset. We foster an inclusive and empowering environment, where every member has the opportunity to grow and excel.

CHAIRMAN'S MESSAGE

Dear Friends and Partners,

It is with great pleasure that I extend my warmest greetings to you on behalf of Geofinitive Contracting.

As we navigate through the dynamic landscape of modern business, Geofinitive Contracting remains committed to its founding principles of innovation, integrity, and excellence. Since our inception, we have strived to lead in our industry, delivering value to our clients, and contributing to the success and progress of our community.

Our journey has been marked by resilience, adaptability, and an unwavering dedication to our clients. We believe in fostering long-lasting relationships based on trust, transparency, and the consistent pursuit of perfection.

At Geofinitive Contracting, we recognize that success is not solely defined by our profitability but by the positive impact we create within our industry and the communities we serve. We continually invest in our people, technologies, and sustainable practices to ensure our growth is synonymous with responsible, ethical, and environmentally conscious business practices.

Our vision for the future is ambitious, and we are excited about the challenges and opportunities that lie ahead. We are committed to driving innovation and embracing change while remaining true to the principles that have guided us from the very beginning.

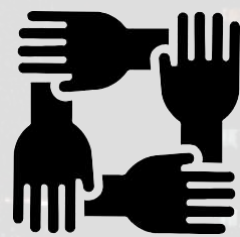

We would like to express our heartfelt gratitude to our clients, partners, and dedicated team members who have made our journey possible. Your unwavering support and trust inspire us to reach new heights and redefine excellence.

We invite you to explore this brochure to learn more about Geofinitive Contracting and how we can partner together to achieve mutual success.

Thank you for being part of our story, and we look forward to building a brighter future together.

Warm regards,
HARIDAS

VALUES

Integrity

Our actions are guided by a strong ethical code, and we are dedicated to earning and maintaining the trust of our clients, partners, and the community

Excellence

We are committed to delivering the highest quality in everything we do, setting the bar for performance, innovation, and achievement. Excellence is not just a goal; it's our standard.

Collaboration

Collaboration fuels innovation, fosters creativity, and allows us to overcome challenges together. We are committed to building strong, collaborative relationships with our partners

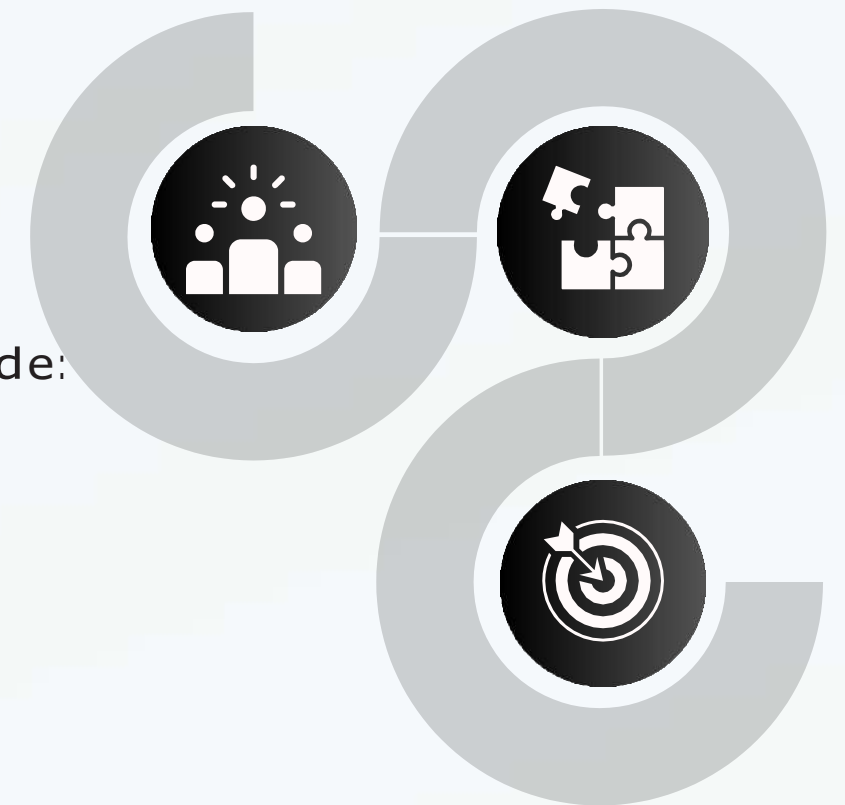

Innovation

we embrace the spirit of creativity and discovery. We are dedicated to exploring new possibilities, pushing boundaries, and adapting to change

GOALS AND OBJECTIVES

Geofinitve Contracting LLC, our primary goal is to be a leading and trusted name in the construction and maintenance industry. We are committed to delivering exceptional services while maintaining the highest standards of integrity, innovation, and collaboration. Our goals and objectives include:

- 1 .Client Satisfaction: We strive to provide unmatched service quality, ensuring our clients' satisfaction in every project we undertake. Our aim is to achieve a customer satisfaction rating of at least 95 % through open communication and exceptional work.
- 2 .Sustainable Excellence: We are dedicated to embracing sustainability and innovation in our operations. Our goal is to implement environmentally friendly practices and technologies, reducing our environmental impact and ensuring a sustainable future.
- 3 .Safety and Compliance: Safety is our top priority. We are committed to a zero-incident work environment, with the goal of 100% compliance with industry safety standards.
- 4 .Employee Growth: We believe in the continuous growth and development of our team members. Our goal is to offer ongoing training and career advancement opportunities, fostering a highly skilled and motivated workforce.
- 5 .Business Expansion: We aim to expand our market presence and reach new clients. Our goal is to increase revenue by 80% within the next year and secure contracts with new clients in the upcoming quarter.
- 6 Community Engagement: We are actively engaged with our local community, supporting charitable initiatives and projects. Our goal is to continue contributing positively to the areas in which we operate.

Control & Automation.

SCADA System, DCS System, RTU & PLC System

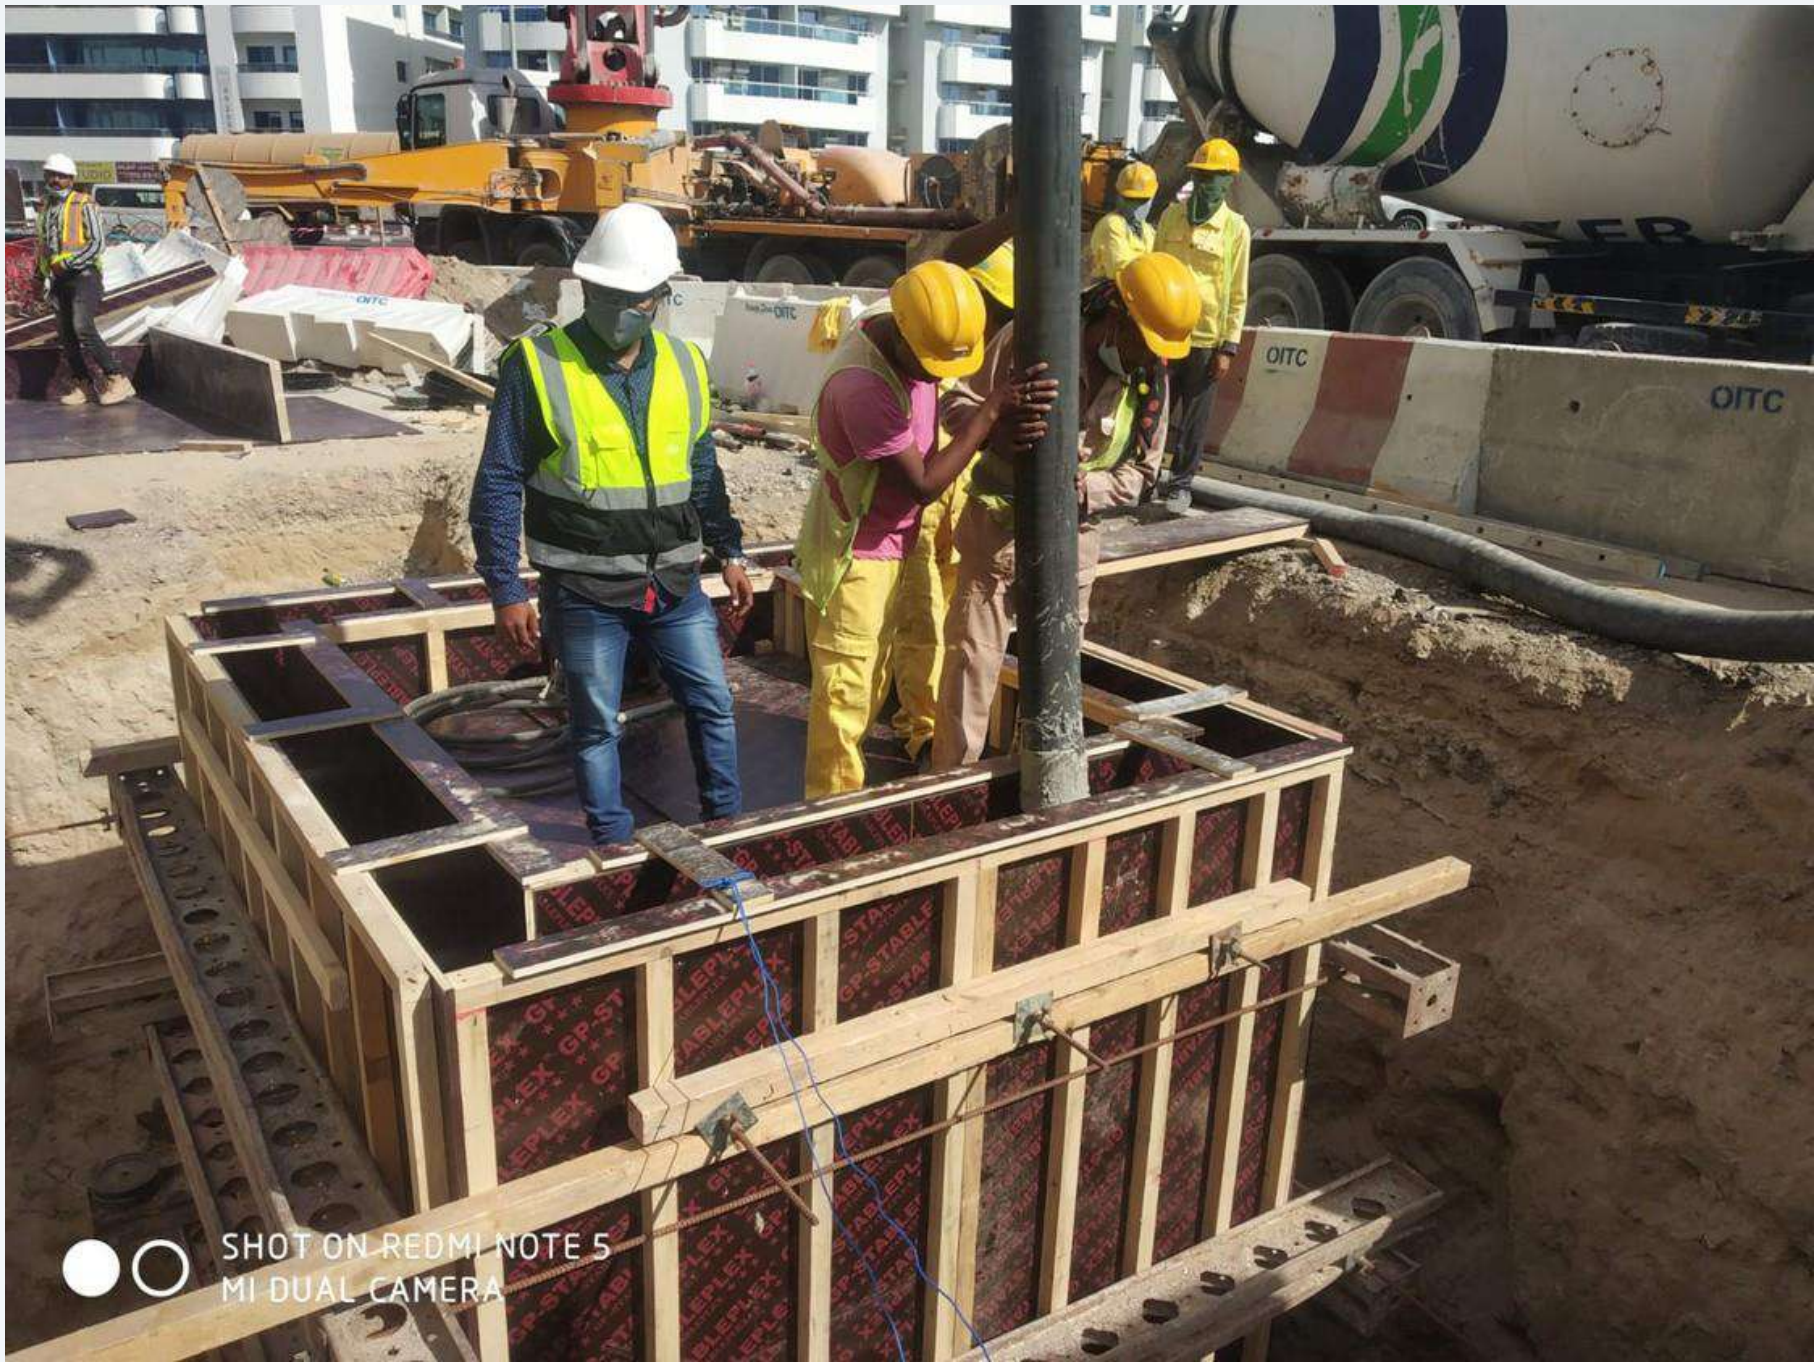

Modern control systems are the combined effort of various components, each with its own job to accomplish, working in harmony to provide seamless control for a plant or industrial system. Although the variety of components is bound to change over time, the current snapshot of industrial automation reveals a few heavy-hitting key players
